Terms & Conditions

Here at Henfryn Farm we aim to provide a relaxing and chilled out Farm Camping/ Glamping experience for all our guests, but in order to do so and to safe guard our livestock and farm ecology there are a few Terms and Conditions all guest need to agree to.

1. Henfryn Farm is a working organic farm. As such there will be occasional noise from animals over which we have no control, and machinery, which we will keep to a minimum.
2. Our tents are in fields which are part of an Agri- Environment Scheme aimed at increasing biodiversity. As such we ask that you keep to the mown paths to and from your tents and to the field perimeter when walking to avoid damage to the hay crop.
3. Please be aware that this is an off grid glamping experience. There is a solar lighting in each tent. There is no mains electric in the loos and showers. If you need to charge tablets or use a hairdryer you can do so in the barn in the yard.
4. Accommodation is located down a steep track from the farm yard area. Cars are not permitted down the track and must be parked in the yard, however wheelbarrows are provided to help carry your gear, pack light, you only need food and clothes!
5. Because of our location in the countryside and away from any settlements, we are only able to operate as a camping and glamping site by virtue of being a **Greener Camping Club** members only site. We have an obligation to Greener Camping Club to ensure that all our guests are members of The Greener Camping Club. Membership costs just £10 per year - membership runs from 1st January to 31st December. We will issue your membership before you arrive for your holiday. Your membership fee is included in the accommodation price. For more information please visit The Greener Camping Club website.
