Terms & Conditions

Here at Henfryn Farm we aim to provide a relaxing and fun Farm Camping/ Glamping experience for all our guests, but in order to do so and to safeguard our livestock and farm ecology there are a few Terms and Conditions all guests need to agree to:

1. Because of our location in the countryside and away from any settlements, we are only able to operate as a camping and glamping site by virtue of being a Greener Camping Club members-only site. We have an obligation to Greener Camping Club to ensure that all our guests are members of The Greener Camping Club. We will organize your membership before you arrive for your holiday and your membership fee is included in the accommodation price. If you wish to become a member directly with the GCC it costs £12 per year - membership runs from 1st January to 31st December. For more information, please visit <https://www.greenercamping.org>
2. Payment terms are 50% deposit at the time of booking, with the balance payable 28 days before arrival. A booking confirmation will be sent after the deposit is received.
3. Provisional bookings will be held for 3 days only and the released if the deposit has not been paid.
4. We reserve the right to cancel your stay in extreme circumstances such as flooding, extreme winds, damage to tents, personal illness etc. Alternative dates will be offered.
5. Please note we do not accept bookings from persons under 18 years of age.
6. The minimum booking is for three nights with the exception of the school summer holiday period (July and August) when a minimum 6 night stay applies.
7. Deposit refunds will only be offered if your cancellation is made at least 60 days before your intended stay and a £25 administration fee will be charged. We recommend that all guests take out appropriate travel insurance to cover late cancellations.
8. We would ask that you arrive after 3.30 p.m. If you will be arriving after 8pm, please let us know. Check out is 10.30 a.m. on departure day.
9. To respect other guests we ask for no loud noise after 10.30 pm and before 6.30 am.

10. We are a dog-friendly site, however dogs are not permitted on the furniture and all dogs must be booked in with us in advance. All dogs must be leashed when walking through the farmyard because of the chickens.
11. Only wood is to be used in the wood-burners. Coal or rubbish must not be burned.
12. Camp-fires are only allowed in the designated fire pit located next to each pitch. Fires must not be lit elsewhere and must be supervised at all times.
13. Henfryn Farm is a working organic farm. As such there will be occasional noise from animals over which we have no control, and machinery, which we will keep to a minimum.
14. Our tents are in fields which are part of an Agri- Environment Scheme aimed at increasing biodiversity. As such we ask that you keep to the mown paths to and from your tents and to the field perimeter when walking to avoid damage to the hay crop.
15. Please be aware that this is an off-grid glamping experience. There is battery-powered lighting in each tent. There is no mains electric in the loos and showers. If you need to charge phones/tablets or use a hairdryer you can do so in the barn in the yard.
16. Accommodation is located down a steep track from the farmyard area. Cars are not permitted down the track and must be parked in the yard, however wheelbarrows are provided to help carry your gear. Pack light, you only need food and clothes!
17. Please take appropriate precautions when swimming in or playing near the water. Water/canoeing shoes are useful and flotation aids may be advisable. Children must be supervised at all times.
18. This isn't really a condition, but just some practical advice: Please bring wellies, sensible shoes and wet weather gear! Grass can be wet even on nice mornings and sensible shoes are needed for the farm track. Flip flops are not suitable!

We look forward to welcoming you to Henfryn Farm,
Tom and Ruth
